

All dimensions are showed in milimeters (mm)

FFL Finished floor level

Due to the broad diversity of materials existing on the market and the different application methods outside of our control, we recommend in any case to do physical tests and sufficient controls to ensure the suitability of the product in each specific application.

It is the responsibility of the user to establish the suitability of the information provided with their particular use of the product.

It is prohibited to make total or partial reproductions, as well as copies, without the written authorisation of Comenza.
